CWA is a non-profit trade organization under IRS Code Number Section 501(c)5. Dues and contributions are not deductible as a charitable donation; however they may be deductible as a business expense. Check with your accountant or Tax professional. Tax ID Number: 95-3129063

We do have a 501(c)3 sister organization available if you wish to use that for a charitable donation tax deduction instead. Please make your check payable to Agricultural Awareness and Literacy Foundation instead of CWA. Send to the same address listed above.
